DEDICATION

In Memory of

DOWNTOWN KENNY BROWN

In Memory of
Kenneth A. Brown Jr.

November 21, 1983

July 29, 2000

When I must leave you for a little
while -- please do not grieve and
shed wild tears and hug your sorrow
to you through the years, But start
out bravely with a gallant smile:
And for my sake and in my name live
on and do all things the same, Feed
not your loneliness on empty days,
But fill each waking hour in useful
ways, Reach out your hand in comfort
and in cheer and I in turn will com-
fort you and hold you near;

And never, never be afraid to die,
For I am waiting for you in the sky.

GATEWAY TO HEAVEN

by Racheal Raposo

The footprints you left
In all our hearts
Put smiles on our faces
But tears in our eyes.
Memories of the fun
And memories of the laughs
Can't escape from our minds.
It is not just the past
And you may not be with us
Alive or in life
But I see your spirit
Shining in our eyes.

But someday we'll meet
At the Gates of Heaven
Away from this world
This world that we live in
And at that shining light
When our final day comes
All our tears will melt away
Like flames under the sun.

God has taken you
Into His sweet heart
Gave you wings to fly
Made you a shining star.
A broken heart is mended
When you comfort with your wings
Wrap your soul around us
Help these hearts go free.

And someday we'll meet
At the Gates of Heaven
Away from this world
This world that we live in
And at that shining light
When our final day comes
All our tears will melt away
Like flames under the sun.

When we meet
At the Gates . . . of Heaven

To the Graduates of the Class of 2002:

I would like to add my sincere congratulations to those which you will receive from your parents, teachers, and friends. Your accomplishment is well deserved and represents a four year commitment to your future. A high school diploma has become a necessary part of success in the world today.

You are leaving Case High School and entering a vastly different world than you are used to. The most significant change you will experience is your new stature as an adult. Quite simply, the role of an adult demands responsibility. On numerous occasions you will be making decisions that may well frame your future. These decisions, which may seem insignificant at the time, could very well either expand your horizons or limit your options. I sincerely hope that your education at Case High School and the advise and support of your parents will enlighten your decisions and bring you much success.

Sincerely,
Stephen C. Flanagan
Superintendent of Schools

To the Class of 2002:

It is always difficult to write this final message to you, as we have spent four very significant years together. I am extremely proud of the way each of you has matured into well-rounded and goal-oriented young adults. The pride you have shown in your school and your country will be long remembered.

The tragic news of September 11, 2001, stunned all of us changing our lives forever. However, your senior leadership helped our school to stay focused and to move ahead with renewed purpose. As Joseph Case High School graduates you will have the challenge ahead to continue making lasting contributions to your country and I know you will rise to these challenges.

These four years have gone by so quickly. I hope you have had as many positive and memorable experiences as I have had with you. I look forward to your graduation day and watching your many success stories unfold in the future.

Sincerely yours,
Joseph D. Santos,
Principal

To the Class of 2002:

Your graduating class certainly proves a Steinbeck philosophy from *The Grapes of Wrath*: "It ain't kin we, it's will we," Ma Joad said this - and your class took her words to heart by embracing academic and personal challenges to successfully leave Joseph Case High School as a graduate.

You have a special place in my career and my heart as the last class I had as an English teacher before assuming my current position at Case High. We journeyed that year like the Joads, except that our highway began and ended in Room 234. I remember no class "lates," nightly reading, "quizzie-poops," after-school vocab workshops, 10-III, reading schedules, MCAS prep, cereal days, 20 essays, motorcycle vs. spoon protocol, the Wall of "Ug," and the importance of a good handshake.

Most of all, I remember your laughter and your determination. Ironically, I recently came across a passage in *The New Yorker* magazine from Goethe's *Faust*. May his words lead you "to meet the challenges of the 21st century" (my favorite quote in preparation for parent-teacher conferences).

Whatever you can do,
Or dream you can,
Begin it.

Boldness has
Genius, power
And magic in it

Here's to beginnings...whenever they occur on your journey.

Class History

Freshman Year

As we move into the new school that will be our home for the next four years, we soon realize that it is nothing like Junior High. We receive lockers, leave behind homerooms, and experience the "bubble" period. We make new friends, but become even closer to our old friends. We watch Channel One, and soon we can't live without it. Many of us travel to New York with Mr. Vogler, an experience we will always remember. Thanks to career education and library skills, we are supposed to be more prepared for life, but it only makes us look forward to next year. Learning to type, "fff... ddd...", many of us learn to love Mrs. Copice. The football team beats Somerset, 17-16, at the end of our first Spirit Week. We don't do well in the Penny War, but seeing Mr. Gibeau kiss a pig made up for it. The Theater Company makes it to States with its production, "The Heiress," as many of us become involved in drama. Soon, we take final exams for the first time, clean out our lockers, and say good bye to freshman year. . . .

Sophomore Year

Happy that we are no longer freshmen, we start to get used to the multicolored walls, duct-taped rugs, and rooms without windows that we call home. We begin the year by electing **Laura Murgo** (President), **Kyle Silva** (Vice President), **Nick Marcoux** (Treasurer), and **Julie Janson** (Secretary) as our officers. Due to a lack of interest, there are no Cross Country or Winter Track teams. The Theater Company performs "Lather, Rinse, Repeat" with a little help from both Mr. McCann and **Nick "Ricky" Emard**. In the news, we say goodbye to JFK, Jr., say hello to the year 2000 when we "survive" Y2K, and get sick of hearing about Elian. In the spring, we suffer through MCAS, although to some of us, the three hours each day are better than classes. At least we are the last class that the results of MCAS will not count. Many members of the Theater Company travel to England in April with Mr. Marcello and the Whites, and some of us travel to Greece, Italy, and France in the summer with Mrs. Morrow. Before we know it, we leave behind our status as underclassmen as we look forward to next year. . . .

The Class of 2002!

Junior Year

Our Junior Year begins on a sad note as we all honor and remember Kenny Brown, but we comfort each other and look to concentrate on the future. When Mr. McCann becomes Vice Principal, we know there are going to be many changes. We elect our own class officers and the only change is **Angela Andreozzi** is our new Secretary. Since most of us can drive to school this year, we become friendly with Officer Looker, both in the parking lot and in the halls. Most of us sign up to take the PSATs in the fall and SATs in the spring, only to get a reality check that college is less than two years away. In sports, there is unfortunately no boy's soccer team, but some of the guys turn to football. Spirit week comes to a successful end as we beat Somerset in the Thanksgiving game. The Theater Company celebrates its 25th Anniversary with performances of "The Wind in the Willows," "Epic Proportions," and "Grease." The presidential election between George Bush and Al Gore keeps everyone in suspense as we learn how important Florida is and what chads really are. The spring sport season is filled with excitement, as the girl's softball team becomes Massachusetts State Champions! We say goodbye to Mr. Urban, Mr. Demary, and Mr. Gray as they retire after many years of teaching at Case. Most of us go to the prom at White's, and it is so much fun that we already start planning for next year's prom. In June, we attend graduation to support the class of 2001. As many of us say goodbye to our friends, we realize that it is just a short time before we are going to graduate, too. . . .

Senior Year

This is the year we have all been waiting for. After three years, we're finally at the top. Class elections are held and once again we have a new Secretary. This time **Jamie Owens** holds the position. This year, Case High is different: new lockers, new rugs, new teachers, and unfortunately, new rules. The fall sport season is incredible. We have a boys' soccer team again, and the volleyball team becomes 2001 state champs! We crown **Mattie Rap** and **Jenna Thurston** as Homecoming King and Queen. Spirit week is a little different too, with "class wars," a scavenger hunt, and a competitive can drive, but it's all worth it when the football team wins the 49er's Trophy for the third time in our four years at Case. The Theater Company impresses the school and the town with a musical version of "A Christmas Carol," including a female Scrooge (**Julie Janson**). We also have an awesome time at our last semi. We lose our beloved nurse, Mrs. Howard to retirement. But before she leaves she teaches our football team a new line-up position (see above picture) when Hepatitis A hits our school. The New England Patriots insure that the year 2002 will be forever famous in New England sports lore as they upset the St. Louis Rams to become Super Bowl champs. Unfortunately, senior year isn't all fun and games. The September 11 tragedy saddens all of us, but we are proud to see how mature we react as a school. In late fall, college applications and SAT's stress us out, but somehow we make it through. After second term ends, it's all a breeze, right? We worry that spring sports might get canceled, but aren't too concerned about losing substitute teachers. However, we look forward to the Prom at the Venus, the Bay Queen Cruise, Class Night, and finally Graduation.

GOLF

The golf team finished the season with a 13-7 record, the best finish recorded in the six year history of golf at Case High School. Coach Antunes' squad had a good mix of veteran and young players, which gives the team a great outlook for the upcoming seasons.

Captains for this year's team were seniors Nick Marcoux and Will Pavao, along with junior Ben Machado. Underclassmen Brendon Malone, Jon Levesque, and Matt Gauvin also played a big role in the team's success.

At the Fall Sports Banquet Will Pavao was named the team MVP, Nick Marcoux won the Coach's Award, and Kyle Silva earned the Sportsmanship Award.

The 2001 field hockey season was definitely successful one!! Lead by Coach Kelly Roy and Coach George Soares, the 2001 field hockey team made tournament for the first time in four years. This achievement was accomplished by a margin of 1 point; a point that was acquired in the team's final game against Somerset. This year's All Stars were senior Shelby Soares and junior goalie Sara Pacheco. Shelby also merited the 2001 MVP title. Seniors Allison McMullen and Cait Myles were awarded the Coach's Award and senior Katie Eng was awarded the SCC Sportsmanship Award. Though the team is saying good-bye to eight seniors this year, only the best is expected for the 2002 season!

GIRLS' SOCCER

The 2001 Case High School girls varsity soccer team fielding only four seniors, finished fifth in the South Coast Conference. The team was led by senior captains Julie Janson, Steph Allain, and Angela Andreozzi and finished with a record of 7-9-2.

Although their soccer program is low in numbers in comparison with other schools that they compete against, with a varsity roster of only 16 player (injuries reduced this number by four over the course of the season) and with no junior varsity or freshmen program, the team enjoyed a very successful season. The future looks very promising. With 12 returning veteran and the addition of a talented freshmen class, the 2002 Case girls soccer team certainly looks bright.

Awards were received by Bethany Messier and Jessica Neales for MVP, Stephanie Allain for Sportsmanship, Angela Andreozzi for Coaches Award.

BOYS' SOCCER

Seniors: Adam Hingorany, Doug Jancarik, Winston Cobb, Nick Braga, Nick Emard, Jeff Fonseca

Although there was no boys' soccer team last year, we were able to make a big rebound under the leadership of the senior captains, Winston Cobb, Nick Emard, and Jeff Fonseca. Seniors Adam Hingorany, Justin Rapoza, Brian Stanko, and Nick Braga also contributed to the success of the team. Even though finishing with 3 wins the team stuck together. Players who received awards were Nick Szwaja for MVP, Winston Cobb received the Sportsmanship Award, and Adam Hingorany got the Coaches' Award. The seniors would like to wish success to the remaining players in their upcoming season and good luck to the new coach.

VOLLEYBALL

We started off our season with big hopes and dreams. With great talent and incredible team chemistry we looked forward to being very successful and having many fun times together. We showed everybody we were for real by taking Bourne to an exciting three games and almost winning. We dominated most of the other teams we played, although there were a few disappointing losses along the way. We finished the regular season with a record of 16 -4. Laura Murgo and Jenna Thurston were named MVP's of the team. We were now ready to enter the State Tournament to try to fulfill our goal of being . . .

STATE CHAMPS!!!

As underdogs in the tournament, we were determined to not only win respect, but to challenge ourselves and to pull off the unbelievable. After two easy victories we met Somerset at Wheaton College in a much

anticipated match. Working together as a team we quickly showed them who was boss and defeated the Raiders in straight sets. The semi-final game vs. Dracut proved to be the toughest and most strenuous battle of all. With fans rocking the stands for both sides, we fought and sweated and finally prevailed in a come-from-behind, five game

victory. The championship was held at Assumption College versus Milford. Filled with emotion and team spirit we completed our season of destiny and triumphantly emerged as the Division II State Champions!

First row (l to r): Mike Ryan, Mike Lindo, Matty Rapoza, Jamie Owens, Mark Pagliarini; 2nd row: Chris Doherty, Chris Gray, Jon Gariepy, Bryan Wood; 3rd row: Mike Beaulieu, Eric Petit, Bob Lee, Tim Abreu.

Although our Cardinal Football Team experienced a rocky start in our 'senior year', Mr. Gibeau and his staff, along with a determined group of seniors including tri-captains Tim Abreu, Chris Gray, and Jaime Owens, rejuvenated themselves late in the season and provided Case High School with an exciting 'story book' finish to a season which will be remembered for a long time.

Throughout the first seven games of the year, while always playing hard, we would lose one game and then win the next, seemingly never to climb up the ladder. A devastating eighth game loss to Fairhaven gave us a 3-5 record and jeopardized early season 'senior goals' of ending our Case High football careers with a non-losing record and a victory over traditional Thanksgiving Day rival Somerset.

With inspired team play led by the determined seniors, we 'rose to the occasion' and ruined the super bowl chances of league power-house Old Rochester in exciting come-from-behind fashion and proceeded to crush cross-town rival Somerset 31-0 in the biggest shutout ever on Thanksgiving Day to accomplish our goals and finish the season with a 5-5 record while keeping the coveted 49'er trophy proudly on display at Case High School.

GYMNASTICS

First row: Lyndsey Kocak, 2nd row: Katy Burns, Kara Machado, Kimmy Kocak, 3rd row: Kayla Freeborn, Brooke Antone, and Stacey Houle.

Many people do not know about the success of the Case High Gymnastics team this year. The seven girls, Kayla, Kimmy, Stacey, Katy, Kara, Brooke, and Lyndsey had a great season. They finished the season with the high all-around team score of 118.9!

More importantly the girls had fun because they acted as one rather than even individuals. They had difficult times, like every team does, but they were able to solve their problems due to the friendship they have with one another. This unity and friendship contributed to the continuing respect other gymnastics teams have for the Case Gymnastics team. Best of luck to next year's team keep up the pride we have earned.

ICE HOCKEY

First row (l to r): Brian Wood, Kelly Cote, Jeff Sutherland, Tommy Stone, Billy Souza, Derek Tavares; 2nd row: Chris Borden, Mike Coleman, Kenny Rebello, Matt Beane, Kenny White; 3rd row: Asst. Coach McPhearson, Andrew Windle, John Gosselin, Marc Phenix, Coach Brouilliard.

With the loss of a few key players the 2002 hockey team had to work extremely hard to accomplish our goals. However we've gained some new talent that benefited the team, such as: sophomore Michael Coleman, juniors Kenny White, Andrew Windle, and Mathew Beane, and senior Kenny Rebello. Junior captain Mark Phenix and sophomore goalie Derek Tavares were selected to play in the SCC All-Star game while juniors Jon Gosselin and Kelly Cote were named as Honorable Mention. Derek Tavares received the team's MVP Award, Mark Phenix received the Sportsmanship Award, and sophomore Jeff Sutherland received the Coach's Award. Hopes are high that there will be much improvement in next year's team.

BASKETBALL CHEERING

1st row (l to r): Amanda Machado, Jess Hyland, Laura Sampson, Shelby Soares, Jess Neales, Ana Resendes, Stacey Torres, Kelly Doyle. 2nd row: Aaron Hubley, Jeremy Lee, Al Lachance, Tim Ponte, Josh Sampson, Richie Leeman. 3rd row: Rob Dupont, Robert Lee, James Garvin, David Kelsey, Chris Gray, Coach Santos.

This year's Winter Track Team had a tough season. Because we were small in numbers we didn't win any meets, but we still worked hard and set many personal records.

Our captains this year were seniors Chris Gray and Shelby Soares. Their attitude and hard work earned them this year's Coaches Award. Two of the individual stars this year were junior Jimmy Garvin and freshman Jessica Neales. They won the MVP Awards this year and their skill and athleticism make the future look bright for our Winter Track program. Good luck to next year's team.

Second row: Coach Tony Martin, Malory Decof, Kayla Banaszek, Laura Murgo, Jenna Fazzina, Liz Reynolds.

The Girls' Basketball Team began their season with a new coaching staff- Mr. Martin as the Varsity coach and Mr. Borges as the JV coach. Filled with a sense of gaining respect, we slowly started to surprise the SCC with our awesome defense and never-die attitude. Although we lost a few close games, we turned up the intensity during the second half of the season to go on a 10 game winning streak- beating our arch rivals DR, Waponequet, and ORR on Senior Night. We thus became SCC tri-champs! We entered the Tournament with a 15-5 record and won our first game against Rockland. Although we lost our second game vs. Abington, our season was a great success and the program looks forward to a promising future. Awards were given to Kayla Banaszek for Sportsmanship, Liz Reynolds received the Coaches Award and Laura Murgo got MVP.

Back row (l to r): Dylan Zygmunt, Tim Manton, Tim Abreu, Jared Nixon, Eric Graham;
Front row: Coach Crossley, Pat Paquette, Kevin Allard, Jon Gariepy, Brian Stanko, Eric Robbie.

Our Case High boys basketball team provided us with a season that will long be remembered as they produced a 16-4 league record, good for second place in the SCC, and qualified for the MIAA State Tournament for the second consecutive year under head coach Tim Crossley.

With leadership provided by five proud returning senior players, the Cardinals were led by co-captains Tim Abreu and Brian Stanko, with three year starters, and seniors Jon Gariepy, Eric Robbie, and Eric Graham. The season was highlighted by two seven game winning streaks and dual victories over cross-town rival Somerset. With Stanko winning the SCC scoring crown in the last game and both he and Abreu receiving all-league recognition, this year's Cardinal team has put-forth the groundwork for the future success of Case High School basketball.

Breakfast

Ever since our first editor meeting at Cait's house this summer, we have been working non-stop. Luckily, this year we had the help of numerous people. Students from every class came down to the yearbook office whenever they had free time to help create this yearbook. We would like to thank these people for their time and effort. Despite the skipped classes and missed deadlines, the 2002 yearbook has finally been pieced together.

This yearbook could not have been completed without the help of Mr. Noble, whose advice, dedication, and constant supply of food encouraged us to keep working hard. We would also like to thank Mr. Garnett, Jostens, and Chestnut Hill Studios without whom this yearbook would not have been possible.

At last, the 2002 yearbook, a collection of our greatest high-school memories, is complete. Enjoy!

Tabbie

Your senior year at Case was not at all what you had hoped for, which taught you about the dangers of high expectations for something you may not have total control of. Your senior year brought with it many painful challenges that proved to be INVALUABLE lessons in life. We watched you face each one and emerge stronger and better than those few "friends" who tried to bring you down. You found the strength and had the conviction to be true to yourself even though it meant you had to stand alone. I couldn't be more proud to say you are my daughter. Continue to let your conscience be your guide; be proud of who and what you are and you will find success. Don't ever forget how much we love you and remember--DULL KNIFE!!

Love,
Mom and AJ
